- **WHAT TO DO IF YOU ARRIVE AT OUR EVENT AND YOUR HORSE IS SICK.** A recent experience at one of our events has prompted us to remind everyone of certain procedures that are in place should you arrive at the venue and suspect that your horse is unwell. Travel sickness, stress, colic, EI and Hendra can sometimes have similar symptoms. Your horse may have started out the journey in apparent perfect health only to arrive presenting with one or more of the following symptoms: sweating, distress, high temperature, kicking at flanks, wanting to roll. If you suspect your horse is unwell on arrival, please:
 - Stay with the horse at your truck/float and either call us on the club phone (0405 604 568) or send someone to the event office to request help. We can contact the club's vets on call (Hawkesbury Equine Vet Centre).
 - DO NOT take the horse away from your float and minimise movement around the grounds. Keep the horse AWAY FROM ALL OTHER HORSES.
 - If you have come with multiple horses, please keep them all together until you are given the all clear.

The HDC Committee wishes you all a great day out with your horses and ponies !!

THANKYOU TO OUR GENEROUS 2017 SPONSORS!!!
